September Newsletter Monday-Wednesday-Friday Class

Welcome to the 2017-2018 school year at Christ the King Preschool. Each month you will receive a newsletter describing what our themes are for the month, any special activities planned, or important dates. You will also get a calendar each month attached to the newsletter that will tell you the themes and what "share" (show and tell) will be for the week as well as other information or reminders. You can also go to our website: www.christthekingpreschool.com to get the same information.

Share is on Wednesday and will usually be an item that starts with a specific letter of the alphabet. If it's a tough letter, the letter can be in the word for that item; ie letter W: owl. The calendar and newsletter will also be posted near the cubbies.

If you would like to be a classroom volunteer, please sign up on the calendar above the cubbies. As a volunteer you can help out in class, or plan a special activity for the class, or just be with your child for that day. It's totally up to you. You can stay for the whole class period or just part of it. We ask that no more than one volunteer sign up on any given day.

For the first part of September we will be talking about and doing activities centered around the Alphabet. The second week, we will do activities about Babies and Big vs Little. The last full week of September, we will focus on Community Helpers. We will also be exploring different countries throughout the year through folktales, song, crafts, and food.

Like 'ChristtheKingPreschool-Tigard' on facebook. We will never post pictures of the children on social media, but look there to see pictures of their art and activities.

We look forward to a fun and creative year with your child.

God's Blessings
