November Newsletter

Tuesday -Thursday Class

Our class has enjoyed learning about and seeing the signs of fall these past few weeks. Thank you for doing such a great job with your child's share items this past month. We had fun with water, fall, pumpkins, and of course Halloween! We look forward to our evening of Halloween fun, Oct. 25th at 6:30 p.m. We'll be carving pumpkins, singing Halloween songs, and eating the cookies we will be decorating for our special guests. We also want to thank the families that were able to come to our Ice Cream Social and Art Show. There was art work displayed from each child in our school and of course ice cream with lots of yummy toppings!

During this month, we are reminded of things we are thankful for and how we can respond to God's grace by giving to others in need. CTK will be doing a 'stocking stuffer' drive for local children in foster care. With Love, is a non-profit organization based in Tigard that supports young children ages 0-6 currently in foster care. Children often enter foster care with the clothing on their backs and nothing else. By donating new or gently used pajamas you will be providing an item that helps a child feel comfortable in their new home.

During the month of November, we will be doing activities about safety and then spend some time learning about our families and Thanksgiving. We'll end the month with shapes, and the season of Advent and preparing for Jesus' birth. Please refer to the activity calendar for share items each week. There will be no school on Thanksgiving, November 22rd.

As the weather gets colder, please remember to send your child in a coat with gloves, maybe even a hat. Unless it is raining, we will play outside on the playground and we'll be getting to that time of year where fingers get very cold!

Remember, our newsletters are always posted on our website: www.christthekingpreschool.com, you can refer to it for newsletters, calendars, and upcoming events as well as general information about the school.

As we are reminded of things we are thankful for this month, we would like to thank you for the privilege of working with your children!

God's Blessings,

Teachers Nicole Gilbert and Heidi Livingston
