September Newsletter

Pre-K

Welcome! Teacher Heidi and myself are looking forward to a fun and exciting year in Pre - K. Every month you will receive a newsletter and calendar which will have information about the activities we have planned for our class. Please hold on to them for reference. A newsletter and calendar will also be posted on our bulletin board above the cubbies. Newsletters and calendars can also be found on our website: www.christthekingpreschool.com Starting in October, parents will have the opportunity to volunteer in our classroom by signing up on the calendar.

We will start the year learning about ourselves, our families, and our friends in class. We will then go on to explore a variety of themes throughout the year, along with exploring other countries and cultures through activities, songs, literature, and one of our favorites: food! Thursdays will be our cooking day.

We will also be doing activities with alphabet letters; learning their sounds, and drawing and writing in our journals. On most share days (Tuesday) children will be finding an object that starts with a specific letter of the alphabet. Please refer to the attached calendar to see what share is for each Tuesday. Thursday will be our library day.

Children will also have the opportunity to take home our classroom mascot (stuffed animal yet to be named) on Thursdays with its journal and backpack. Parents write down in the journal what the child dictates about the adventures they had over the weekend. We ask that no more than one page be used for that dictation. A drawn picture by the child and/or a photo can be included on a second page. The backpack (stuffed animal and journal included) returns on Monday and the journal is read to the class during circle time. The sign up sheet for this activity is also on our bulletin board.

Throughout the year we will be working on developing a sense of community in our classroom and helping each other to achieve that goal. Any concerns or questions, please do not hesitate to ask!

We look forward to a great year!

God's Blessings,
Teachers Nicole Gilbert and Heidi Livingston
