January

TTH Class

In January we learned about the season of winter, we did activities with shapes and colors. This week we are having lots of fun listening to nursery rhymes and acting them out.

In February we will celebrate Valentine's Day and talk about what it means to be a friend. We will be exchanging Valentines with our classmates; there are 15 children in our class. We will be decorating boxes in class for the Valentines that the children will be receiving from their classmates. Please bring your child's signed Valentines to class on Thursday, Feb. 11th. We will be "mailing" them that day. Please do not address them, this helps the Teachers.

After Valentine's Day we will be learning about opposites and pets.
