### May/June Newsletter Monday - Wednesday - Friday

May is already here and the year has gone by so fast! It's hard to believe the school year is almost over. Thank you Parents for the opportunity to share your child's growth and progress during our Parent-Teacher Conferences.

In April, we explored art and different Artists. We did activities surrounding Easter. We talked about Earth Day and Arbor Day and how we can take care of our planet and God's creation. We planted flowers in our pots for our entrance doors. We are ending the month exploring Africa and the animals that live there.

We said goodbye to Teacher Melissa as she takes her leave to have her baby. She brought a special treat to share with the class.

In May we will explore the world of insects, pond life and farm animals. We will finish the month talking about Summer Safety.

Throughout the year, we have explored all over the world, Mexico in October, Australia in December, Antarctica in January, China and Brazil in February, and Africa in April. In June, we will be doing activities all about America and that will be the theme of our end of year program!

#### **End of year Program in Haven Hall at 11:15 am on June 11.**

Note: Our last day of school is Friday, June 11<sup>th</sup> and tuition is  $\frac{1}{2}$  month- \$95 plus any lunch bunch you plan to stay for.

#### Blessings

Teachers Heidi Livingston and Niki Nolly
