May Newsletter Tuesday - Thursday Class

It's hard to believe that May is already here, the school year has gone by so fast. It has been an amazing experience to watch the children grow and learn throughout the year! Thank you Parents for the opportunity to share your child's growth and progress during our Parent-Teacher Conferences.

In April, we explored transportation and art. We then talked about Earth Day and Arbor Day and how we can take care of our planet and God's creation. We are ending the month with a Teddy Bear Parade and Picnic.

In May we will explore the world of insects, pond life and farm animals. We will finish the month talking about Summer Safety.

In June, we will be doing activities all about the ocean and that will be the theme of our end of year program!

End of year Program in Haven Hall at 11:15 am on June 10.

Note: Our last day of school is Thursday, June 10th and tuition is $\frac{1}{2}$ month- \$72.50 plus any lunch bunch you plan to stay for.

Blessings
