April Newsletter Tuesday-Thursday Class

In March we read some of our favorite books during 'Read Across America' week and talked about the different parts of a book. We did activities learning about 5 Sences. We had some fun with St. Patrick's Day and Spring. We'll end the month learning about Pond Life!

In April we'll explore pond life and do activities for Easter! We will then have fun with Volcano experiments and learn about Baby Animals.

Parent/ Teacher Conferences will be April 6-9. There will be no school on Thursday April 8. This is a great opportunity to see your child's progress. A sign up has been sent out. If the dates and times do not work for you, other arrangements can be made, just ask.
