May/June Newsletter Monday - Wednesday - Friday

May is already here and the year has gone by so fast! It's hard to believe the school year is almost over. Thank you Parents for the opportunity to share your child's growth and progress during our Parent-Teacher Conferences.

In April, we explored birds and eggs, and did a egg drop experiment. We did activities surrounding Easter. We talked about Earth Day and Arbor Day and how we can take care of our planet and God's creation. We are ending the month exploring Japan as we get ready for the Mother's Day Tea.

In May we will be saying goodbye to our friend Elliott as he and his family move out of state. We will miss him and the Meyers' family.

We will do activities with African and Zoo animals. We will finish the month talking about Artists.

We will celebrate June and summer birthdays on Friday, June 3.

Throughout the year, we have explored all over the world; Mexico in October, Australia in December, Antarctica in January, China in February, Japan in April, and Africa in May. In June, we will be doing activities all about America and that will be the theme of our end of year program!

Please turn in your zoo field trip form and payment by May 6, or let us know if your child is not able to participate. **Zoo field trip is Friday, May 20.**

Mother's Day Tea is Friday, May 6.

End of year Program in Haven Hall at 11am on June 10.

Note: Our last day of school is Friday, June 10th and tuition is $\frac{1}{2}$ month- \$100 plus lunch bunch. Please add planned June lunch bunches to June tuition. Thank you!

Thank you so much for sharing your child with us this year!

Teachers Heidi Livingston and Niki Nolly

Birthdays
