September Newsletter Monday-Wednesday-Friday Class

Welcome to the 2023-2024 school year at Christ the King Preschool. Each month you will receive a newsletter describing what our themes are for the month, any special activities planned, or important dates. You can also go to our website: www.christthekingpreschool.com to get the same information.

For the first part of September, we will be talking about and doing activities centered around 'Welcome to School'. The second week, we will explore 'All about Me'. The last full week of September, we will focus Apples! Our themes will usually include a letter of the alphabet that we focus on for that week (E for Fall). We will also be exploring different countries throughout the year through art, folktales, song, and crafts. We will be doing some cooking activities in class this year. Sign-in sheets will be available every day for the children to get to know their names. Children can point to their names, trace the letters, or write the letters in their name; whatever they are comfortable doing.

On Fridays, the children will check a book out from our Children's Library. It will go home in a Ziploc bag. Please bring that book **in the bag**, back every Friday so your child can check out another book.

Like 'ChristtheKingPreschool-Tigard' on Facebook and @ctk_preschool on Instagram. We will never post pictures of the children on social media, but look there to see pictures of their art and activities.

We look forward to a fun, healthy and creative year with your child.

God's Blessings

Teachers Heidi Livingston and Niki Nolly

Oct 5- PICTURE DAY
