February Newsletter Mon-Wed-Fri Class

During January we had fun learning about Winter and animals that hibernate. We also explored Antarctica and Penguins.

In February we will talk about the Solar System and the planets. We will do activities for Lunar New Year and Valentine's Day. On Wednesday, February 14th, children can bring their Valentine cards to school to "mail" to their classmates (16 students). We encourage children to sign their name on their cards but please do not address the cards. It helps in distribution if there are no names except who the Valentine card is from. The children will have made decorated bags previously in class to receive their friends' cards. Store bought treats or trinkets are okay to include with the Valentine's. After Valentine's Day we will talk about friendship and do activities with quilts.

Parent/Teacher Conferences will be afternoons and evenings the last two weeks of February. A sign up will be sent out February 1.

February 14 - Bring Valentine cards signed by your child and in a bag labeled with your child's name. Please do not address the cards.

February 19 - Presidents' Day, no school

God's Blessings

Teachers Heidi and Niki
