February 2024

T/TH Class

In January, we learned about the season of winter, we did activities polar animals and talked about animals that hibernate.

In February we will celebrate Valentine's Day and talk about what it means to be a friend. We will be exchanging Valentines with our classmates; there are 15 children in our class. We will be decorating boxes in class for the Valentines that the children will be receiving from their classmates. On Tuesday, February 13th, children can bring their Valentine cards to school to "mail" to their classmates (15 students). We encourage children to sign their name on their cards but please do not address the cards. It helps in distribution if there are no names except who the Valentine card is from. Store bought treats or trinkets are okay to include with the Valentines.

After Valentine's Day we will be doing activities with Shapes and Dinosaurs.

Parent/Teacher Conferences will be afternoons and evenings the last two weeks of February. A sign up will be sent out February 1.

God's Blessings

Teachers Heidi and Danielle
